

The Rt Hon Boris Johnson  
The Prime Minister

23rd September 2020

Dear Prime Minister,

### **A Green Recovery from the COVID-19 Pandemic**

If it were not for the COVID-19 pandemic, the world's hearts and minds would have been captured this summer by the Tokyo Olympic and Paralympic Games: events that have "Passing on Legacy for the Future" as part of their core mission.

Yet the years where that Legacy will unfold are under acute threat from climate change.

In February this year, you confirmed that "there can be no greater responsibility than protecting our planet, and no mission that a Global Britain is prouder to serve". With the COP26 and G7 presidencies next year, the UK has a golden opportunity to show international leadership on the most important issue facing humankind.

We can sit timidly in the pack, pretending that we have no role to play in the unfolding race. Or, like the athletes we would have watched this summer, we can race to win.

We urge your Government to act consistently with the recognised need for "urgent action", by developing a truly Green approach to recovery from the pandemic. In championing this approach, the UK can take confidence from the last months, which have demonstrated the incredible capacity our society has to make huge alterations from "business as usual" in order to protect one another. The economic benefits of pursuing a Green recovery have also received emphatic endorsement from the Committee on Climate Change, the present and former Governors of the Bank of England, and research from Oxford University.

At the closing ceremony of the London Olympics 2012, Seb Coe (1980 and 1984 Olympic Champion) said:

*"One day we will tell our children and our grandchildren,  
that when our time came, we did it right."*

As present and former athletes, we urge you and your Government to bring new truth to these words, leading the way out of the pandemic whilst forging the ultimate Legacy: a healthy, safe Earth for all.

Yours sincerely,

Champions for Earth

*Supported by three hundred GB Olympians and Paralympians*
